The Simplified Spelling Board was an American organization created in 1906 to reform the spelling of the English language, making it simpler and easier to learn, and eliminating many of what were considered to be its inconsistencies. The board operated until 1920, the year after the death of its founding benefactor, who had come to criticize the progress and approach of the organization.

The debate on traditional Chinese characters and simplified Chinese characters is an ongoing dispute concerning Chinese orthography among users of Chinese characters. It has stirred up heated responses from supporters of both sides in mainland China, Hong Kong, Macau, Taiwan, and among overseas Chinese communities with its implications of political ideology and cultural identity.
