**ARBITERS OF SOCIAL UNREST: MILITARY RESPONSES TO THE ARAB**

What explains the variance in military behavior during popular uprisings in Northern Africa and the Middle East? Contrary to models which tout the internal characteristics of the military, the external political, social and economic conditions, the influence of Western economic and military assistance or the transformative experience of educating officers in Western schools, it is argued that ...

**Arbiters of Social Unrest: Military Responses to the Arab**

The Arab Middle East has entered a new era of civil-military relations. The function of today's Arab militaries is no longer exclusively the protection of the regime. Instead, they are serving as arbiters of social unrest, deciding if and how to address the people's demands when they take to the streets.
