This fully updated Third Edition covers principles of designing buildings that use the sun for heating

Sun, Wind, and Light: Architectural Design Strategies 3rd

This book contains all of the design concepts and implementation details I use in my work. I have placed these valuable illustrations and descriptions in The Secure Home to help readers do all or part of their own design work.

The Secure Home: Joel Skousen: 9781568610559: Amazon.com

Introduction An extensive and complete daytime long exposure photography tutorial by Joel Tjintelaar. Long exposure photography is a genre in photography that is often associated with fine-art photography, due to the surreal and other worldly effects long exposure photography can add to your photos, and thereby moving away from objective reality as we can see it.

Complete Guide To Long Exposure Photography - 2016 Edition

Photography is the art, application and practice of creating durable images by recording light or other electromagnetic radiation, either electronically by means of an image sensor, or chemically by means of a light-sensitive material such as photographic film. It is employed in many fields of science, manufacturing (e.g., photolithography), and business, as well as its more direct uses for art ...

PDF . Read Online . Methods and Materials of Painting of the Great Schools and Masters... Volume 1. by Sir Charles Lock Eastlake, This new Dover edition, first published in 1960, is an unabridged and unaltered republication of the first edition of the work originally published by Brown, Green, and Longmans in 1847 under the title Materials for a History of Oil Painting.

The Color of Art: Free Artist Reference Books and eBooks

Sculpture is the branch of the visual arts that operates in three dimensions. It is one of the plastic arts. Durable sculptural processes originally used carving (the removal of material) and modelling (the addition of material, as clay), in stone, metal, ceramics, wood and other materials but, since Modernism, there has been an almost complete freedom of materials and process.
