A street or road name or odonym is an identifying name given to a street. The street name usually forms part of the address (though addresses in some parts of the world, notably most of Japan, make no reference to street names). Buildings are often given numbers along the street to further help identify them.. Names are often given in a two-part form: an individual name known as the specific ...

Still coming off of the grammar- and punctuation-high from the Supreme Court's decision in Indian Spring Land Company v. Inland Wetlands and Watercourses Agency, which was officially released on July 5, 2016. The Supreme Court clearly states three times in the decision that the plain language of section 22a-40 (a) (1) provides that road construction directly related to a farming ...
