Best Law Practice Management Software | 2019 Reviews of

A virtual law firm is a legal practice that does not have a bricks-and-mortar office, but operates from the homes or satellite offices of its lawyers, usually delivering services to clients at a distance using technological means of communication. Most have a central function responsible for the accounting and administrative side of the practice. ...

General information concerning patents | USPTO

The basic feature of labour law in almost every country is that the rights and obligations of the worker and the employer are mediated through a contract of employment between the two. This has been the case since the collapse of feudalism. Many contract terms and conditions are covered by legislation or common law. In the US for example, the majority of state laws allow for employment to be "at ...
