Beautifully Forgotten is the second book in L.A. Fioreâ€™s Beautifully Damaged series. While the heart of the story is about Lucien Black and Darcy MacBride struggling to find their way back to each other after 14 years of separation, there are multiple storylines involved with differing perspectives that ultimately combine to expose a bigger plot at play - one that includes them all in varying capacities.

Maybe a piece is torn off or itâ€™s looking a little frayed? One simple fix is to open your image in the Editor and then open it again as a graphic . Stretch the graphic until itâ€™s the same size as your original image and then flip it around so that the part thatâ€™s frayed is covered up by the part thatâ€™s not.

ruptures. Most often the torn tendon is re-attached to the knee cap by passing the tendon through drill holes in the knee cap for fixation. In some cases graft tissue may be added to the repair to obtain the desired length of the repaired tendon. In rare cases an â€œend-to-endâ€• tendon repair may be done. This technique is used when the
