In traditional grammar, a part of speech (abbreviated form: PoS or POS) is a category of words (or, more

generally, of lexical items) which have similar grammatical properties. Words that are assigned to the same part of speech generally display similar behavior in terms of syntax—they play similar roles within the grammatical structure of sentences—and sometimes in terms of morphology, in ...

The following is a list of English words without rhymes, called refractory rhymes—that is, a list of words in the English language which rhyme with no other English word. The word "rhyme" here is used in the strict sense, called a perfect rhyme, that the words are pronounced the same from the vowel of the main stressed syllable onwards. The list was compiled from the point of view of ...
