birch tree. In the springtime, you can take the sweet sap from the tree and distribute it among your people to use as they do the sap from maple trees. The people can peel the bark from the tree and use it. The women may use it to create bowls and baskets for keeping food. The men can use the bark for building lodges and canoes.

### **Birch Bark Legends of Niagara by Owahyah - Goodreads**

Traditionally, birch bark was an essential part of the lives of Native American groups in Canada and the northern United States where it was used as a covering for wigwams, food preparation and storage, canoes, and other things. Literature suggests that the only way food could be stored for long periods of time was in birch bark containers.
