When you think of the term "internet marketing", what's the first thing you think of?. For some business owners, they'll think of a website. Others may think of social media, or blogging. In reality, all of these avenues of advertising fall in the category internet marketing and each is like a puzzle piece in a much bigger marketing picture.

Internet Marketing 101: Everything Beginners Need to Know

What is social media? "Social media" is a way for people to communicate and interact online. While it has been around since the dawn of the World Wide Web, in the last 10 years or so we've seen a surge in both the number and popularity of social media sites.
