Body image is a person's perception of the aesthetics or sexual attractiveness of their own body. It involves how a person sees themselves according to the standards that have been set by society. The Austrian neurologist and psychoanalyst Paul Schilder coined the phrase body-image in his book *The Image and Appearance of the Human Body* (1935). Human society has at all times placed great value ...

A black body or blackbody is an idealized physical body that absorbs all incident electromagnetic radiation, regardless of frequency or angle of incidence. A white body is one with a "rough surface [that] reflects all incident rays completely and uniformly in all directions.". A black body in thermal equilibrium (that is, at a constant temperature) emits electromagnetic radiation called black ...
