

### **bound by marriage bound pdf**

Prometheus Bound (Ancient Greek:  $\text{Προμηθεὺς ἄστυλχος}$ ,  $\text{Pronáthē's Desmá'tēs}$ ) is an Ancient Greek tragedy. In antiquity, it was attributed to Aeschylus, but now is considered by some scholars to be the work of another hand, and perhaps one as late as c. 430 BC. Despite these doubts about its authorship, the play's designation as Aeschylean has remained conventional.

In Islam, marriage is a legal contract between a man and a woman. Both the groom and the bride are to consent to the marriage of their own free wills. A formal, binding contract - verbal or on paper - is considered integral to a religiously valid Islamic marriage, and outlines the rights and responsibilities of the groom and bride. There must be two Muslim witnesses of the marriage contract.
